dsule@rady.ucsd.edu

EDUCATION**Master of Science in Business Analytics**, Rady School of Management

06/2026

University of California, San Diego, CA

GPA: 3.5

Pricing Analytics, Experiments for Business Analytics, SQL and ETL, Business Analytics, Fraud Analytics, Marketing Analytics, Project Management

Bachelor of Science, Cognitive Behavioral Neuroscience

06/2025

University of California, San Diego, San Diego, California

- Provost Honors
- LAEP Research Fellowship Recipient
- Dean's List
- Discrete Mathematics, Programming Methods, Project Management in Health Services, Bioethics, Research Methods

EXPERIENCE**Student Researcher**, LAEP - UCSD Cognitive Development Lab

12/2023 - 05/2024

- Conducted behavioral experiments using eye-tracking systems and auditory datasets to analyze sensory processing in autism, generating structured datasets for research analysis
- Processed and annotated large-scale auditory data using data cleaning techniques, improving dataset usability for behavioral modeling
- Presented research findings in weekly briefings to lab teams, supporting ongoing experimental design and next step research decisions

Intern, Neuroleap (HealthTech Startup)

05/2022 - 09/2022

- Conducted literature reviews and synthesized research using Excel to analyze autism and sensory processing trends, informing product development decisions
- Translated research insights into actionable design recommendations, collaborating with designers, psychologists, and product teams
- Presented findings and recommendations to founders and cross functional teams, guiding product iteration and next step planning

Walk with Alzheimer's

10/2021 - 05/2025

PROJECTS**Pricing Analytics**, House of Blues San Diego

05/2022 - 09/2022

- Collected and analyzed event and artist data using Python (Ticketmaster API, Spotify API, Kaggle) to identify pricing and demand patterns
- Built and validated a regression model in Python to estimate ticket pricing based on popularity and timing variables
- Developed a profit optimization framework to stimulate booking scenarios, recommending pricing strategy projects to generate ~\$100k revenue and ~\$44k profit

Social Media Analytics (R)

05/2022 - 09/2022

- Cleaned and analyzed social media datasets using R to evaluate user engagement trends and growth patterns
- Built regression models and conducted hypothesis testing to identify key drivers of Facebook user behavior
- Presented data driven insights through visual reports and technical presentations to communicate findings

SPECIALIZED SKILLS

- **Languages/Coding:** Python, SQL (Advanced), ETL, A/B Testing, Java, JavaScript, R, MATLAB
- **Operating Systems:** Microsoft Windows, Excel (Advanced), Access (Intermediate), Oracle
- **Tools:** Tableau, CRM, Power BI, SQL Developer, Google Analytics, Jira
- **Certifications:** SQL Programming, AWS

PROFESSIONAL AFFILIATIONS & LEADERSHIP

- Member: Rady Data Analytics Club; Rady Product Management Club
- UCSD Women's Basketball Team

08/2025 - Present
